

(Notice of Fares, Rates and Charges, etc.)

Article 107. Any scheduled air transport enterprise shall post a notice of the fares, rates and charges and the conditions of transportation visible to the public at the business premises and at other working places.

(Business Program)

Article 108. In performing its business, any scheduled air transport enterprise shall comply with the business program except as due to natural calamity or other unavoidable causes.

2. When he deems any air transport enterprise in violation of the provisions of the preceding paragraph, the Minister of Transportation may order such scheduled air transport enterprise to perform the services in accordance with the business program.

Article 109. When he intends to alter the business program, any scheduled air transport enterprise shall obtain an approval of the Minister of Transportation.

2. The provisions of Article 101 (excepting those coming under paragraph 1, item (5)), shall apply to an approval under the preceding paragraph.

(Agreement concerning Transportation)

Article 110. When it is intended to conclude an agreement concerning through-traffic, fares or other transportation with other transport enterprises, any scheduled air transport enterprise shall obtain an approval of the Minister of Transportation.

The same shall apply in cases where it is intended to make any change therein.

2. The Minister of Transportation shall grant an approval under the preceding paragraph when the agreement promotes the public convenience.

(Exception from Application of the Law concerning the Prohibition of Private Monopoly and the Methods of Preserving Fair Trade)

Article 111. The provisions of the Law concerning the Prohibition of Private Monopoly and the Methods of Preserving Fair Trade (Law No. 54 of 1947) shall not apply to any lawful act effected upon approval under paragraph 1 of the preceding Article. However, the same shall not apply in cases where unfair methods of competition are used or an unreasonable rise of the fares or charges is caused by limiting competition in the specified field of trade.

(Order for Improvement of Business)

Article 112. When he deems that there is any fact by which the public welfare may be adversely affected with regard to the business of any scheduled air transport enterprise, the Minister of Transportation may order the enterprise to do any act mentioned in the following items:

- (1) To alter the business items;
- (2) To alter fares, charges or conditions of transportation;
- (3) To improve aircraft and other facilities;
- (4) To conclude an insurance contract to cover the compensation for damages due to aircraft accidents.

(Utilization of Title, Loan of Business, etc.)

Article 113. No scheduled air transport enterprise shall allow another person to utilize his license for scheduled air transportation.
