

*Regulations*

3. (1) The Governor-General may make regulations relating to all or any of the following matters or things, namely—

(a) the carrying out of, and giving effect to, the provisions of the Convention;

(b) the safety and security of persons and property and the prohibition of flying at such heights or in such manner as is deemed to be dangerous to life and property;

(c) the licensing, inspection, and regulation of aerodromes or other places set apart for the use of aircraft; the scales of charges at licensed aerodromes or at aerodromes established and maintained under the powers of section six; the licensing or certification of persons employed at aerodromes in the inspection or supervision of aircraft; the registers and records to be kept at such aerodromes and the manner in which they shall be kept; prohibiting or regulating the use of unlicensed aerodromes; access to aerodromes and places where aircraft have landed and access to aircraft factories for the purpose of inspecting the work therein carried on;

(d) the manner and conditions of the issue and renewal of any certificate or license required under this Act or under the Convention, including the examination and tests to be undergone and the form, custody, production, cancellation, suspension, endorsement and surrender of any such certificate or license;

(e) the keeping and form of the register of union aircraft;

(f) the conditions under which aircraft may pass, or goods or passengers may be conveyed by aircraft into, within or from the Union;

(g) the areas within which, or the aerodromes at which, aircraft coming from any place outside the Union shall land, and the areas within which or the aerodromes from which aircraft shall depart to any place outside the Union;

(h) the exemption from any of the provisions of this Act or of the Convention, of aircraft flown for experimental purposes, or any other aircraft, or any persons, where it appears unnecessary that such provisions should apply;

(i) the fees to be paid in respect of the grant of any certificate or license or otherwise for the purposes of this Act, or of the Convention;

(j) the control of aerial lighthouses and lights at or in the neighbourhood of aerodromes and aerial lighthouses;

(k) the signals which may be made by aircraft and persons carried therein;

(l) measures for preventing aircraft flying over prohibited areas or entering or leaving the Union in contravention of any provision of this Act;

(m) the prevention of nuisances arising out of air navigation or aircraft factories, aerodromes, or other aircraft establishments;

(n) the persons by whom accidents shall be notified, the procedure to be followed in notifying accidents and in holding accident enquiries;
