

In the absence of other limit established by the law of the Contracting State where the execution sale takes place, the insurance shall be considered adequate within the meaning of the present paragraph if the amount of the insurance corresponds to the value when new of the aircraft seized in execution.

(6) Costs legally chargeable under the law of the Contracting State where the sale takes place, which are incurred in the common interest of creditors in the course of execution proceedings leading to sale, shall be paid out of the proceeds of sale before any claims, including those given preference by Article IV.

ARTICLE VIII

Sale of an aircraft in execution in conformity with the provisions of Article VII shall effect the transfer of the property in such aircraft free from all rights which are not assumed by the purchaser.

ARTICLE IX

Except in the case of a sale in execution in conformity with the provisions of Article VII, no transfer of an aircraft from the nationality register or the record of a Contracting State to that of another Contracting State shall be made, unless all holders of recorded rights have been satisfied or consent to the transfer.

ARTICLE X

(1) If a recorded right in an aircraft of the nature specified in Article 1, and held as security for the payment of an indebtedness, extends, in conformity with the law of the Contracting State where the aircraft is registered, to spare parts stored in a specified place or places, such right shall be recognised by all Contracting States, as long as the spare parts remain in the place or places specified, provided that an appropriate public notice, specifying the description of the right, the name and address of the holder of this right and the record in which such right is recorded, is exhibited at the place where the spare parts are located, so as to give due notification to third parties that such spare parts are encumbered.

(2) A statement indicating the character and the approximate number of such spare parts shall be annexed to or included in the recorded document. Such parts may be replaced by similar parts without affecting the right of the creditor.

(3) The provisions of Article VII, paragraphs (1) and (4), and of Article VIII shall apply to a sale of spare parts in execution. However, where the executing creditor is an unsecured creditor, paragraph 4 of Article VII in its application to such a sale shall be construed so as to permit the sale to take place if a bid is received in an amount not less than two-thirds of the value of the spare parts as determined by experts appointed by the authority responsible for the sale. Further, in the distribution of the proceeds of sale, the competent authority may, in order to provide for the claim of the executing creditor, limit the amount payable to holders of prior rights to two-thirds of such proceeds of sale after payment of the costs referred to in Article VII, paragraph (6).
