

(Mr. Courtney aside to the chairman.)

Mr. HÉBERT. The executive session hearings will be released after action by the committee, which is necessary under our rules.

The executive sessions on sole source were held in accordance with our rules. They have been cleared for security, and as soon as we have the full clearance for security review made, and the testimony back with the necessary deletions in the interest of security, the committee will make available in public the full text of those executive hearings, within the realm of security, of what has been deleted.

Mr. COURTNEY. One of the purposes of the meeting would be, on Tuesday, to take the necessary vote to clear the record and authorize the release of the transcript.

Mr. HÉBERT. If there is no further business before the committee, then the committee stands recessed until Tuesday.

Mr. COURTNEY. Tuesday, August 22.

Mr. HÉBERT. August 22.

Thank you, gentlemen.

(Whereupon, at 10:47 a.m., the subcommittee adjourned, to reconvene at 10 a.m., Tuesday, August 22, 1961.)

(COMMITTEE NOTE.—Subsequent to the hearings, the American Federation of Government Employees submitted a statement for the record which is set forth in the appendix hereof. Also set forth in the appendix is an exchange of correspondence between the committee staff and the Department of the Navy with reference to the statement submitted by the National Education Association.)
