

(20) Install, maintain and operate central photographic and printing facilities.

(21) Perform such alterations, minor new construction, repairs and demolition as may be specifically authorized by the Contract Administrator. Monetary limitations for the above work when ultimately chargeable to Navy Appropriations shall be limited to those amounts shown in BuWeps Instruction 11014.1 dated 28 January 1960 or revisions thereto. Construction projects exceeding \$2,000.00 in costs are excluded from the scope hereof. Repairs, irrespective of monetary amounts, are included in the scope of this contract. However, for those repair projects costing \$5,000.00 or more, prior written approval of the Contract Administrator will be required when the ultimate charges for such project is to be lodged as a direct or indirect charge to Navy Appropriations.

(22) The contractor will prepare reports as required by the Contract Administrator who will advise the Contractor as to management or cost data required, formats, and due dates for such reports.

(II). Adequate notice shall be given the Contractor of any change in the functions outlined herein.

(III). For the overall administrative support of the contract, the Contractor shall maintain an established office on the Island of Oahu, Hawaiian Islands to perform the following minimum functions:

(a) Provide necessary coordination with Department of Defense activities in the Pacific area.

(b) Provide for the forwarding of Contractor's personnel and Contractor furnished materials in transit to or from Kwajalein.

The cost of maintaining this office on Oahu shall not be an allowable cost under this contract inasmuch as the fixed fee provided for in this contract contemplates the furnishing of this services by the Contractor at no cost to the Government.
