SENATOR WARREN G. MAGNUSON

MAY 10, 1960.

DEAR CHAIRMAN HENNINGS: Your letter of May 3 inquires as to whether I know of any instances where the executive departments or administrative agencies have withheld information from this committee or its subcommittees.

There have not been any such instances, to the best of my knowledge.

Sincerely yours,

WARREN G. MAGNUSON,
Chairman, Committee on Interstate and Foreign Commerce.

SENATOR WAYNE MORSE

MAY 10, 1960.

DEAR SENATOR HENNINGS: I have your letter of May 3 asking my experience regarding instances of information withheld from Congress by executive departments and administrative agencies.

In the study of United States-Latin American relations, which has now been in progress for almost 2 years, by the Subcommittee on American Republics Affairs, no such instance has occurred. On the contrary, the Department of State and the other executive agencies involved have been most cooperative.

Sincerely,

WAYNE MORSE,
Chairman, Subcommittee on American Republics Affairs.

SENATOR FRANK E. MOSS

AUGUST 24, 1960.

DEAR TOM: I have received your letter on the study being made by the subcommittee of the withholding of information by executive departments and administrative agencies. I am submitting copies of a letter from the Aeronautics Commission of the State of Utah requesting information on an accident, and the reply of the Federal Aviation Agency to my inquiry for information on the case.

I am hopeful that this will be of assistance to the subcommittee.

Very sincerely yours,

FRANK E. MOSS, *U.S. Senator.*
