mills) or whose spinning operations (in the case of spinning mills) during the period of performance of such contracts will not exceed 80 hours per week (not including other supporting activities).

(c) In all procurements from the textile industry which are estimated to exceed \$10,000, partial set-asides exclusively for textile industry concerns whose "weaving" or "spinning" operations (as described in paragraph (b) above) will not exceed 80 hours per week shall be made substantially in accordance with the procedures set forth in § 1–1.804, except that all "textile industry concerns whose weaving or spinning operations will not exceed 80 hours per week" will be treated as "labor surplus area concerns." The notice set forth in § 1–1.804–2 shall be designated "NOTICE OF 80-HOUR WEEK SET-ASIDE" and appropriately modified for use in accordance with this paragraph.

§ 1–1.807 Report on preference procurement in labor surplus areas.

(a) *Agencies required to report.* Each agency which places contracts to be performed in surplus labor areas under this Subpart 1–1.8 and § 1–2.407–6 shall report such procurement in accordance with this section. When procurement is performed by one agency for, and at the request of, another agency, the agency doing the procurement shall report.

(b) *Frequency and due date.* Reports shall be prepared quarterly and submitted, in triplicate, to the General Services Administration, Office of Finance and Administration, General Services Building, Washington 25, D.C., within 45 work days after the close of each calendar quarter. Agencies having no reportable procurement during any report period shall submit negative reports.

(c) *Preparation of report.*

(1) *Procurement to be reported.* Reports shall state the total dollar amount of procurement awards placed in labor surplus areas as a result of preference procedures under this Subpart 1–1.8 and § 1–2.407–6. Amendments and modifications shall be included to reflect the total value of such actions. Agencies entering into indefinite quantity contracts to be performed in labor surplus areas as a result of preference procedures shall estimate, in accordance with agency procedures, the total dollar amount of orders which will be placed thereunder and include such data in the report.

(2) *Report format.* No standard report form is prescribed. However, the data reported should be arranged in columns as follows:

Column 1: An alphabetical listing of the States (include for this purpose Puerto Rico and possessions) containing persistent or substantial labor surplus areas in which contracts awarded during the report period as the result of set-aside, tie-bid, or other preference procedure will be performed.

Column 2: An alphabetical listing, within each State, of persistent or substantial labor surplus areas in which such contracts will be performed. Underline the names of persistent labor surplus areas.

Column 3: For each area, the total dollar amount of such contract awards.

Total: Enter subtotal of all figures for persistent labor surplus areas and a grand total of Column 3.

(3) *Procurement from textile industry* (*Notification No. 38*). In addition to the requirements of subparagraph (2) above, any preference awards placed with the textile industry during the report period under the provisions of § 1–1.806–5, shall be reported as an addendum, and include the following information:

(i) Dollar amount of such awards placed with concerns which will perform in persistent or substantial labor surplus areas.

(ii) Dollar amount of such awards placed with concerns which will not perform in persistent or substantial labor surplus areas.

CHAPTER 1, PART 1–2—PROCUREMENT BY FORMAL ADVERTISING

§ 1–2.407–6 Equal low bids.

(a) In furtherance of the small business and labor surplus area policies set forth in Subparts 1–1.7 and 1–1.8, award shall be made in accordance with the following order of priority when two or more low bids are equal in all respects (taking into consideration cost of transportation, cash discounts, and any other factors properly to be considered):

(1) Persistent labor surplus area concerns (as defined in section 1–1.801–1(a)) that are also small business concerns (as defined in Subpart 1–1.7).

(2) Other persistent labor surplus area concerns.

(3) Substantial labor surplus area concerns (as defined in section 1–1.801–1(b)) that are also small business concerns.

(4) Other substantial labor surplus area concerns.
