

interagency sharing of ADP equipment also will be reported. The format for this report is shown in the attached exhibit. The cost portion (PART II) of this report will be developed in a manner which will assure that these costs can be identified with or related to the budget requests submitted separately to the Bureau of the Budget in response to Bureau of the Budget Circular No. A-11. The report will be submitted to the Bureau of the Budget in duplicate. Those agencies that did not use ADP equipment during fiscal year 1959 and do not contemplate using such equipment during fiscal years 1960 and 1961 will submit a negative report.

It is anticipated that the reporting requirement will be repeated annually, revised as experience demands.
