

FPC opinions issued since June 28, 1961—Continued

Opinion No.		Date issued
348-----	<i>Lo-Vaca Gathering Co., Houston Pipe Line Co.</i> (by Swidler, with Kuykendall, Morgan, and Ross; O'Connor dissenting). Producer gas sales are subject to FPC jurisdiction if gas is mixed in stream going into interstate commerce. O'Connor dissents on ground action departed from judicial precedent.	Oct. 23, 1961
349-----	<i>Tennessee Gas Transmission Co.</i> (by Kuykendall, with Swidler, Morgan, O'Connor, and Ross). Tennessee Gas Transmission Co. authorized to import natural gas from Canada on interruptible basis through existing Niagara Falls interconnection.	Dec. 14, 1961
350-----	<i>Panhandle Eastern Pipe Line Co., et al.</i> CP60-103, et al. (by O'Connor, with Swidler, Morgan, and Ross). Authorized sales from Elk City Field (Oklahoma) conditioned on 3-cent price reduction.	Jan. 15, 1962
351-----	<i>CATC (Continental Oil Co., et al.)</i> G-11024, et al. (By Swidler, with Morgan, Ross, and O'Connor). Reduces price of CATC sales (Louisiana) by nearly 3 cents; refunds ordered.	Jan. 22, 1962
352-----	<i>Tennessee Gas Transmission Co., G-1198</i> (by Swidler, with Morgan, O'Connor, and Ross). Determines principles to be used in allocating cost of service among 6 rate zones.	Feb. 6, 1962
353-----	<i>Michigan Wisconsin Pipe Line Co., CP61-102</i> (by O'Connor, with Swidler, Morgan, and Ross). Authorized sales from Woodward area (Oklahoma) conditioned on reduction of initial price to area ceilings.	Mar. 7, 1962
354-----	<i>Pacific Power & Light Co., E-7024, E-7025</i> (by the Commission: Swidler, O'Connor, and Ross; Morgan dissenting). Authorizes issuance of securities holding that Federal Power Act does not confer certificating jurisdiction over transmission lines on FPC. Morgan contends application should not be approved pending policy decisions relative to such an intertie scheduled by the current session of Congress.	Apr. 17, 1962
355-----	<i>Arkansas-Louisiana Gas Co., G-11597, et al.</i> (by Swidler, with O'Connor, Ross, and Woodward). Mississippi River Fuel Corp., ordered to allocate to utility customers a large part of gas supply being sold to industrial customers.	Apr. 18, 1962
356-----	<i>Union Electric Co., E-6927</i> (By Ross, with Swidler, Morgan, O'Connor, and Woodward). Holds that interstate transmission of hydroelectric energy is sufficient grounds to require an FPC license for Taum Sauk pumped storage project.	Apr. 19, 1962
357-----	<i>Public Service Co. of New Hampshire, P-2233</i> (By Ross, with Swidler, Morgan, O'Connor, and Woodward). Sets policy that hydroelectric projects built prior to 1935 and still operating without a license should not be given the benefit of the maximum 50-year license permitted by the act.	Apr. 25, 1962
358-----	<i>El Paso Natural Gas Co., CP60-72, et al.</i> (By Ross, with Swidler, Morgan, O'Connor, and Woodward). Reduces initial price by more than 3 cents for producer gas sales from Big Piney area (Wyoming).	June 11, 1962
359-----	<i>Standard Oil Co. of California, CI60-333, et al.</i> (By Ross, with Swidler, Morgan, O'Connor, and Woodward). Reduces initial price by more than 3 cents for producer gas sales from Red Wash area (Utah).	Do.
360-----	<i>Alabama-Tennessee Natural Gas Co., G-5471</i> (By Swidler, with Morgan, O'Connor, Ross, and Woodward). Disposes of 4 pipeline rate increases; refunds and rate reductions ordered.	June 13, 1962
361-----	<i>Brazos River Authority v. Brazos Electric Co-op.</i> E-6384, et al. (by O'Connor, with Swidler, Morgan, Ross, and Woodward). Holds FPC has jurisdiction over Authority's rates from licensed hydroelectric project because of the absence of State regulation.	July 17, 1962
362-----	<i>Skelly Oil Co., et al., G-18638, et al.</i> (by Swidler, with O'Connor and Woodward; Morgan and Ross dissenting and concurring). Establishes guidelines for determining in-line prices in producer certificate cases. Reduces initial price.	Aug. 30, 1962
362A-----	<i>Skelly Oil Co., et al., G-18638, et al.</i> (by Swidler, with O'Connor and Woodward; Ross dissenting in part; Morgan not participating). Denies rehearing of Opinion No. 362.	Dec. 18, 1962
363-----	<i>American Louisiana Pipe Line Co., G-18419</i> (by Woodward, with Swidler and O'Connor; Ross recorded as in favor had he been present; Morgan present but not participating). Allows American Louisiana 6 percent rate of return; Michigan Wisconsin Pipe Line, 6½ percent return.	Sept. 17, 1962
364-----	<i>Robert P. Wilson, P-2276, et al.</i> (by the Commission: Swidler, Morgan, O'Connor, and Ross). Dismisses applications for permits and licenses for 4 California hydroelectric projects pending for 9 years and unsupported by applicant.	Oct. 10, 1963
365-----	<i>Hunt Oil Co., G-9065</i> (by Swidler with Morgan, O'Connor, Ross, and Woodward). Provides standards for determining just and reasonable rates for producers prior to establishment of area rates; case remanded to examiner.	Oct. 17, 1962
