Docket No. E-7024

NOTICE OF APPLICATION

(March 1, 1962)

Take notice that on February 19, 1962, an application was filed with the Federal Power Commission pursuant to Section 204 of the Federal Power Act by Pacific Power & Light Company ("Applicant"), a corporation organized under the laws of the State of Maine and doing business in the States of Oregon, Wyoming, Washington, California, Montana and Idaho, with its principal business office at Portland, Oregon, seeking an order authorizing the issuance of \$35,000,000, in principal amount of First Mortgage Bonds, Series due 1992. Applicant proposes to issue the aforesaid Bonds under its presently existing Mortgage and Deed of Trust, dated July 1, 1947, to Guaranty Trust Company of New York (now Morgan Guaranty Trust Company of New York) and Oliver R. Brooks (Wesley L. Baker, successor), as Trustees, as heretofore supplemented by twelve supplemental indentures and as to be further supplemented by a Thirteenth Supplemental Indenture to be dated as of April 1, 1962. The Bonds, to be dated April 1, 1962, will be sold at competitive bidding and will bear interest at the rate per annum to be fixed by competitive bidding. Applicant states that the net proceeds of the issuance and sale of the Bonds and of not to exceed 696,695 additional shares of its Common Stock of the par value of \$3.25 per share (proposed to be sold separately - Docket No. E-7025) will be applied to the payment of notes then outstanding (not expected to exceed \$42,000,000 in principal amount) under a Credit Agreement dated as of August 15, 1961 and to the carrying forward of Applicant's construction program - estimated at \$44,000,000 for 1962 and \$56,000,000 for 1963.

Any person desiring to be heard or to make any protests with reference to said application should on or before the 21st day of March 1962, file with the Federal Power Commission, Washington 25, D.C., petitions or protests in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 1.8 or 1.10). The application is on file and available for public inspection.
