

and control of an examiner in accordance with a course of study as prescribed by the Department at the commencement of such Internship.

"Person" includes any natural person, partnership, association, corporation or trust.

"Department" means the Department of Registration and Education of the State of Illinois.

"Director" means the Director of the Department of Registration and Education of the State of Illinois.

"Committee" means the Detection of Deception Examiner Committee provided for in this Act.

"Him" means both the male and female gender.

SEC. 2. The practice of the detection of deception in the State of Illinois is declared to affect the public health, safety and welfare and is subject to regulation and control in the public interest.

SEC. 3. Every examiner shall use an instrument which records permanently and simultaneously the subject's cardiovascular and respiratory patterns as minimum standards, but such an instrument may record additional psychological changes pertinent to the detection of deception. An examiner shall, upon written request of a person examined, make known the results of such test to the person examined within 5 days of receipt of the written request.

SEC. 4. It is unlawful for any person to administer detection of deception examinations, or attempt to hold himself out as an Examiner, without a license issued by the Department, except insofar as qualified by sections 5 and 12 of this Act. *Provided, however,* That this shall not prohibit the use of detection of deception equipment by a person licensed to practice medicine in all its branches under the Medical Practice Act of Illinois when the results are to be used in research.

SEC. 5. Any person may administer detection of deception examinations in this State without license for not to exceed twenty days during any calendar year. *Provided, however,* that any time prior to administering said examinations, such person shall pay a registration fee and file with the Department a sworn affidavit that said person—

(a) is a citizen of the United States; and

(b) is at least 21 years of age; and

(c) has administered detection of deception examinations for a period of at least two years using the instrumentation prescribed in section 3 of this Act; and

(d) has not been convicted of a misdemeanor involving moral turpitude or a felony, or who has not been released or discharged under other than honorable conditions from any of the armed services of the United States.

The registrant under this section is subject to all the provisions of this Act relating to examiners except sections 6, 9, 11, 12, 13, 16, 26, and 30, and the Director shall deny, rescind, or revoke the registration of any person who at any time violated said provisions of this Act. The registration fee is nonrefundable.

SEC. 6. On the effective date of this Act, any person who has actually engaged in the occupation, business, or profession of an examiner before April 1, 1963, and who has used for that period the instrumentation prescribed in section 3, shall, upon application within one year after the effective date of this Act and payment of the required license fee, be issued a license hereunder, without examination, *provided, however,* that the Director may require such applicant to submit satisfactory proof that he has so engaged for such period.

SEC. 7. None of the powers, duties, or functions of the Department or the Director thereof under this Act shall be exercised except under the action and written report of the Detection of Deception Examiner Committee. Such committee shall be composed of five individuals appointed by the Director. The members of the committee shall have been engaged continuously in the State of Illinois for a period of at least five years as examiners. Three members must be actively engaged in the private, or commercial, practice of detection of deception and two members must be primarily engaged in the detection of deception for the State of Illinois or a county or municipality within the State of Illinois. Each member shall serve for a term of five years.

The action or report in writing of a majority of the committee shall be sufficient authority upon which the Director of Registration and Education may act. In designating the persons to act, the Director of Registration and Education shall give due consideration to recommendations by members of the profession and by organizations therein. Whenever the Director is satisfied that substan-
