

(g) Notices of alleged violations issued after September 1, 1963, together with the licensee's reply, if any, and correspondence between licensees and the regulatory staff concerning alleged violations.

You have requested that we provide two copies of each regulation, directive, order, or other document issued by this agency to implement 5 U.S.C. 1002. In view of the relevance of so many of the parts of the Commission's regulations, we believe that it would be most helpful to furnish complete copies of 10 CFR chapter I. We have accordingly included two copies of each of the following:

1. Atomic Energy Commission "Rules and Regulations";
2. AEC Manual, chapters 2104 and 3106;
3. Procurement Instruction 9-53.103;
4. Procurement Regulations, 41 CFR section 9-3.103.

We shall be pleased to cooperate with your subcommittee in the development of any further information you may wish to have concerning the subject of your inquiry.

Cordially,

GLENN T. SEABORG, *Chairman.*

REPLY FROM CANAL ZONE GOVERNMENT

CANAL ZONE GOVERNMENT,
OFFICE OF THE GOVERNOR,
Balboa Heights, C.Z., March 16, 1965.

Hon. JOHN E. MOSS,
*Chairman, Foreign Operations and Government Information Subcommittee,
Committee on Government Operations, House of Representatives.*

DEAR MR. MOSS: This is in reply to your letter of February 12, 1965, setting forth a series of questions pertaining to the application and administration by the Canal Zone Government of section 3 ("public information section") of the Administrative Procedure Act of 1946 (5 U.S.C. sec. 1002).

Inasmuch as the provisions of the Administrative Procedure Act are not applicable to the Canal Zone Government, it would appear that a detailed response to these questions would not be appropriate. Specifically, under section 2 of the act (5 U.S.C. 1001) "agency" is defined to exclude "governments of the possessions, Territories, or the District of Columbia."

However, as a matter of possible interest to the subcommittee, it may be noted that regulations of the agency which affect the public such as regulations pertaining to exclusion and deportation of persons from the Canal Zone, air navigation and customs are published in the Federal Register and in title 35 of the Code of Federal Regulations. In addition, a statement of the organization and functions of the agency is published in the U.S. Government Organization Manual (1964 ed., p. 371).

If you desire further information on this matter, we shall be pleased to provide it. Liaison can be maintained with Mr. W. M. Whitman, Special Assistant to the Governor, 425 13th Street NW., Washington, D.C. (phone: DIstrict 7-6984).

Sincerely yours,

ROBERT J. FLEMING, Jr., *Governor.*
