

(whether by lighting or otherwise) for giving to such aircraft warning of the presence of that building, structure or erection, he may by order authorise (subject to any conditions specified in the order) the proprietor of the aerodrome, and any person acting under the proprietor's instructions,—

(a) to execute, instal, maintain, operate, and, as occasion requires, to repair and alter, such works and apparatus as may be necessary for enabling such warning to be given in the manner specified in the order, and

(b) so far as may be necessary for exercising any of the powers conferred by the order to enter upon and pass over (with or without vehicles) any such land as may be specified in the order;

Provided that no such order shall be made in relation to any building, structure or erection if it appears to the Minister that there have been made, and are being carried out, satisfactory arrangements for the giving of such warning as aforesaid of the presence of the building, structure or erection.

(2) The Minister shall, before making any such order as aforesaid, cause to be published, in such manner as he thinks best for informing persons concerned, notice of the proposal to make the order and of the place where copies of the draft order may be obtained free of charge, and take into consideration any representations with respect to the order which may, within such period not being less than two months after the publication of the notice as may be specified therein, be made to him by any person appearing to him to have an interest in any land which would be affected by the order: and at the end of that period the order may, subject to the provisions of this section, be made with such modifications (if any) of the original draft as the Minister thinks proper.

(3) Every such order as aforesaid shall provide—

(a) that, except in a case of emergency, no works shall be executed on any land in pursuance of the order, unless, at least fourteen days previously, the proprietor of the aerodrome to which the order relates has served in the manner prescribed by the order on the occupier of that land, and on every other person known by the proprietor to have an interest therein, a written notice containing such particulars of the nature of the proposed works, and the manner in which and the time at which it is proposed to execute them, as may be prescribed by or in accordance with the order; and

(b) that if, within fourteen days after service of the said notice on any person having such an interest, the proprietor of the aerodrome receives a written intimation of objection on the part of that person to the proposals contained in the notice, being an
