

animals or draft, burden, or riding animals, under the penalties provided for in Article 3 of the decree of November 16, 1960; violators may also be deprived of the rights to compensation.

*Article 18 (Airdromes commanders).* 1) On each State airdrome an airdrome commander, designated by the Secretary of State for Commerce and Industry, shall have authority over all employees and services of the airdrome on which flight safety depends, and he shall coordinate the activities of all other services existing on the airdrome.

2) On international airdromes the airdrome Commander shall coordinate the administrative services of immigration, customs, health and police which shall remain under the jurisdiction of their respective administration and shall exercise their functions independently.

3) On licensed airdromes, open to public air flight, an airdrome commander designated by the owner or operator of the airdrome shall exercise similar functions.

*Article 19 (Fees and charges).* 1) On all airdromes open to public air flight the following charges and fees shall be collected:

A landing fee

An additional fee for night landing or flight

A charge for the use of tools on airdromes

A fee for passenger and freight

A fee for visitors

Charges for occupation of public land.

2) Basic schedules and tariffs and possible reductions and exemptions shall be determined by an ordinance of the President of the Republic on the proposal of the Secretaries of State for Commerce and Industry and of Finance.

*Article 20 (Imposition).* 1) The fees and charges enumerated in Article 19 shall be imposed for the benefit of the State.

2) However, on an airdrome open to public air flight which is not operated by the State, an ordinance of the President of the Republic on the proposal of the Secretaries of State for Commerce and Industry and of Finance, may authorize the imposition, for the benefit of the operator of the airdrome, of some of the fees and charges enumerated above in accordance with the schedules and tariffs specified in paragraph 2) of Article 19.

*Article 21.* This decree abrogates all laws or provisions of laws, and all decree-laws or provisions of decree-laws in conflict therewith, and shall be applied by all Secretaries of State concerned.
