

posed on other members of the flight personnel under the same circumstances;

c) For permitting any person who is not a member of the flight personnel to take part in the operation of the aircraft;

d) For abandoning the aircraft, the passengers, the cargo and other property at a place that is not the destination and without a serious and just cause;

e) For flying an aircraft after having drunk alcoholic beverages in any amount. The same penalty shall be imposed on any other member of the crew under the same circumstances;

f) For permitting a member of the flight personnel to participate in the operation of the aircraft under the conditions specified in letter e) or any member of the crew, as the case may be;

g) For flying over prohibited areas;

h) For permitting the use of aerial photographic apparatus on board an aircraft in flight without a permit;

i) For performing acrobatic flights, buzzing, or exhibition flights over cities or populated areas, or away from these places without permission;

j) For throwing, or permitting the unnecessary throwing overboard, of objects or ballast from the aircraft;

k) For performing demonstration or technical test flights or instruction flights without permission; and,

l) For not immediately informing the General Direction of Civil Aeronautics of accidents.

*Article 275.* A fine of L1,000.00 to L5,000.00 shall be imposed on any commander or pilot of any civil aircraft that flies over national territory in the following cases:

a) For not landing at civil aerodromes that have been specified in the necessary flight permit or authorization;

b) For flying over prohibited areas; and,

c) For making or permitting the making of aerial photographs or maps on board an aircraft in flight without an authorization.

*Article 276.* A fine of L1,000.00 to L10,000.00 shall be imposed on any air carrier that operates with operating certificates or authorization from the Government, in the following cases:

a) For performing operations in violation of stated flight routes and time tables and schedules that have been officially approved;

b) For refusing to transport persons or cargo without a lawful reason;

c) For impeding or trying to impede an aircraft from using an aerodrome or airport that has been declared open for public use by the Ministry of Development;

d) For noncompliance with the obligations imposed by this law and the regulations issued thereunder, in the operating certificates or authorizations, in cases which, in the judgment of the Ministry of Development, do not merit cancellation of the certificate or authorization;

e) For not effecting, preserving and maintaining its flight equipment, aerodromes, and other equipment relating to the safety and efficiency of transportation in the manner specified by regulations; and,
