

without special permission, uses the aircraft for aviation within Icelandic territory, or violates the conditions of the permission granted, shall be punished by a fine or detention.

*Article 154.* Any person who submits incorrect or incomplete information in the application a) for registration of an aircraft, b) for striking an aircraft from the register, c) for the granting of permission pursuant to Article 7, paragraph 2, or Article 13(b), shall be punished by a fine or detention. Any person who fails to submit a notice to the registration agency in accordance with this law or submits incorrect or incomplete information, shall be subject to the same punishment.

*Article 155.* Any person who without authorization removes nationality or registration markings from an aircraft or affixes on an aircraft incorrect markings, shall be punished by a fine or detention.

Any owner or operator operating an aircraft without nationality or registration markings or with incorrect markings shall be subject to the same punishment.

*Article 156.* Any owner or operator of an aircraft who operates an aircraft which is not airworthy, or is not properly manned, equipped or loaded, or for other reasons does not conform to the safety regulations, and has not been granted a permission for flight in accordance with this law, shall be punished by a fine or detention or imprisonment for a period of up to 3 years.

*Article 157.* Any person who constructs an aircraft or manufactures accessories or spare parts in an unsuitable manner, or recklessly maintains, repairs or alters an aircraft and by such action causes a risk that the aircraft might be used in violation of safety regulations, shall be punished by a fine, detention or imprisonment for a period of up to 3 years.

Any person who equips, loads or performs other work necessary for flight in an unsuitable manner, shall be subject to the same punishment.

*Article 158.* Any owner or operator of an aircraft who operates an aircraft which is not covered by insurance or other surety in accordance with the provisions of Article 137, shall be punished by a fine or detention.

Any owner or operator of an aircraft who operates the flight without documents prescribed by this law or the regulations issued in accordance with this law shall be punished by a fine or detention for a period of up to 6 months.

*Article 159.* Any aircraft commander who flies an aircraft under the conditions mentioned in Articles 153, 155, paragraph 2, Articles 156 or 158, shall be subject to the same punishment as the owner or operator.

*Article 160.* Any person who serves on an aircraft without a valid certificate or license as required by this law, or in case such document is not required, without conforming to the conditions required for such service, shall be punished by a fine or detention.

*Article 161.* Any member of the crew who in performing the service does not follow the orders of his superior, shall be punished by a fine or detention for a period of up to 6 months.

If by such act of insubordination, he has put the aircraft or human life in danger, or if he refuses to obey repeated orders, or if there are
