

mined by the conditions which existed on board during the voyage or which exist at the time of the medical examination, without prejudice to the measures which are permitted by these Rules to be applied to the aircraft if it arrives from an infected area.

*Special provisions relating to quarantinable Diseases.*

*A. Yellow Fever*

9. (1) An aircraft shall be regarded as infected with yellow fever—

- (i) if it has a case of yellow fever on board, or
- (ii) if there has been on board a case of yellow fever and, subsequent to the occurrence of that case, all the measures specified in sub-rule (1) of rule 13 have not been taken to the satisfaction of the Health Officer before arriving in India.

(2) An aircraft shall be regarded as suspected of yellow fever infection if it has started from or alighted in an airport in a yellow fever infected area and has not been disinfected immediately before the departure from that airport under the control of the Health authority of the airport or in another airport subsequent to such starting or alighting and has not obtained a certificate of disinfection from such officer or body as may be approved from time to time by the Government of India for this purpose stating that the aircraft after leaving or alighting in the yellow fever infected area and before arriving in India has been disinfected in accordance with the procedure prescribed in Schedule VI to these Rules, or recommended by the World Health Organisation, or if live mosquitoes are found on board.

(3) Any other aircraft shall be regarded as healthy.

10. (1) Where an aircraft, having started from, or during the course of the voyage alighted in, a yellow fever infected area, is on its way to India, the report referred to in sub-rule (1) of rule 3 shall also state—

- (a) the date of departure of the aircraft from the yellow fever infected area, and
- (b) whether the aircraft has been disinfected immediately before or since leaving the yellow fever infected area and, if so, the place at which, and the authority by which, it was disinfected.

(2) Where an aircraft has on board any persons coming from a yellow fever infected area, the report referred to in sub-rule (1) of rule 3 shall also state the number of such persons, the dates of their respective departure from such area, and the dates on which each of such persons has been vaccinated against yellow fever.

11. No person shall bring into India an aircraft which has started from, or alighted in, an airport situated in a yellow fever infected area unless it has been disinfected immediately before departure from that airport under the control of the Health authority of that airport in accordance with the procedures prescribed in Schedule VI to these Rules.

12. Any aircraft which, having started from or alighted in an airport situated in a yellow fever infected area, attempts to enter India without having been disinfected immediately before departure from that airport under the control of the Health authority of the airport
