

from the premises of the airport any person who, in his opinion, is likely to spread any quarantinable or other infectious disease.

62. (1) Disinfection, disinsection, deratting and other sanitary operations shall be so carried out as—

(a) not to cause undue discomfort to any person or injury to his health;

(b) not to produce any deleterious effect on the structure of an aircraft or on its operating equipment;

(c) to avoid all risk of fire.

(2) In carrying out such operations on goods, baggage and other articles, every precaution shall be taken to avoid any damage.

63. (1) Goods shall be submitted to sanitary measures provided for in these Rules only when the Health Officer has reason to believe that they may have become contaminated by the infection of a quarantinable disease or may serve as a vehicle for the spread of any such disease.

(2) Apart from the measures provided for a special provisions relating to cholera, goods, other than live animals, in transit, without transshipment shall not be subjected to any sanitary measures or detained at any airport.

64. Except in the case of an infected person or suspect, baggage may be disinfected or disinsected only in the case of a person carrying infective material or insect vectors of a quarantinable disease.

65. (1) Mail, newspapers, books, and other printed matter shall not be subject to any sanitary measure.

(2) Postal parcels may be subjected to sanitary measures only if they contain—

(a) any of the foods referred to in sub-rule (7) of rule 21 of these Rules, which the Health Officer has reason to believe comes from a cholera infected area; or

(b) linen, wearing apparel, or bedding, which has been used or soiled and to which the provisions of Parts II and III of these Rules are applicable.

66. No sanitary document other than those provided for in these Rules, shall be required by the Health Officer.

67. (1) No charge shall be made by the Health Officer of an airport for—

(a) any medical examination provided for in these Rules or any supplementary examination, bacteriological or otherwise which may be required to ascertain the state of health of the person examined;

(b) any vaccination of a person on arrival and any certificate thereof.

(2) Charges for applying the measures provided for in these Rules, other than the measures referred to in sub-rule (1) of this rule, shall conform with the tariff for such charges as may be fixed from time to time by the Central Government. These charges shall be moderate and not exceed the actual cost of the service rendered, and they shall be levied without distinction as to the nationality, domicile or residence of the person concerned or as to the nationality, flag, registry or ownership of the aircraft. In particular there shall be no distinction made between national and foreign persons and aircraft.
