

of this Law and has come to project above the horizontal surface after the enforcement of this Law, due to said construction work).

2. The Minister of Transportation or an operator of an aerodrome may request removal of a part of said object which projects above the horizontal surface by the owner of the object as specified in the preceding paragraph or by any other person who has authority in accordance with Article 49, paragraphs 3 to 7 inclusive.

(Transitional Provisions concerning Aeronautical Obstruction Lights, etc.)

Article 5. The provisions of Article 51, paragraph 1, and Article 51-(2), paragraph 1, of the New Law shall not apply to an object which exists at the time of enforcement of this Law and has a height of not less than 60 meters above the land or water surface (including a plant which exists at the time of enforcement of this Law, and has grown up to a height of not less than 60 meters above the land or water surface, and a structure which is under construction at the time of enforcement of this Law and has come to have a height of not less than 60 meters above the land or water surface due to said construction work).

(Transitional Provisions concerning Air Freight Forwarding Enterprises)

Article 6. Any person who has been engaged in an air freight forwarding enterprise at the time of enforcement of this Law may be engaged in said business continuously for three months from the date of enforcement of this Law, notwithstanding the provisions of Article 122-(2), paragraph 1, of the New Law, without obtaining a license under the same paragraph or an approval under Article 131-(2), paragraph 1.

When said person has made an application for a license, or approval of said business during such period, the same shall apply to the period prior to the day when he has received information as to whether or not he has been granted a license or approval.

(Transitional Provisions concerning Penal Provisions)

Article 7. With regard to application of the penal provisions to an act performed before the enforcement of this Law, the previous provisions shall remain in effect.

(Partial Amendment of the Law relating to the Establishment of the Ministry of Transportation)

Article 8. The Law relating to the Establishment of the Ministry of Transportation (Law No. 157 of 1949) shall be partially amended as follows:

"Air Freight Forwarding Enterprise" shall be added to "Air Transport Enterprise" under Article 4, paragraph 44-(9).

"Air Freight Forwarding Enterprise" shall be added to "Air Transport Enterprise" under Article 28-(2), paragraph 13.

OTHER AIR LAWS IN FORCE IN JAPAN

The following other air laws are in force in Japan:

(1) Amendments to Civil Aeronautics Law, Law No. 40, March 26, 1959, and Law No. 90, June 1, 1960, amended by Law No. 140, May 16, 1962, Law No. 161, September 15, 1962.

(2) Law concerning special case of Civil Aeronautics Law by virtue of provisions of the Agreement under Article VI of the Treaty of
