

TABLE 14.—*Statutory requirements for relocation assistance and assurance of standard housing in Federal and federally aided programs*

Department or program	Relocation assistance		Assurance of standard housing
	Persons	Businesses	
Urban renewal, public housing, neighborhood facilities, open space, and code enforcement.	Secretary of DHUD issues regulations requiring a relocation assistance program including measures to (1) determine needs of families and individuals for relocation assistance, (2) provide information and assistance to aid in relocation and otherwise minimize hardship of displacement, and (3) assure necessary coordination of relocation activities with other governmental actions in the community which may affect carrying out of relocation program.	Same as for persons	Loan or capital grant contracts require local public agencies to show, within a reasonable time prior to actual displacement, that there is a feasible method for temporary relocation of displaced families and individuals and that there are decent, safe, and sanitary dwellings equal to number of displaced units. Rehousing units must not be generally less desirable in regard to public and commercial facilities, and must be at rents within the financial means of the displaced and reasonably accessible to their places of employment.
Mass transportation and community facilities.	None	None	Same as urban renewal.
Federal-aid highways.	Secretary of Commerce requires State highway departments to give satisfactory assurance that relocation advisory assistance shall be provided for relocation of families. No requirement that advisory services be directed toward finding decent, safe, and sanitary housing at prices or rents within their means.	do.	None.
Defense Department; Interior (except National Park Service); NASA.	None	do.	Do.
TVA.	Authorized to advise and cooperate in readjustment of population displaced by its projects and to cooperate with Federal, State, and local agencies to that end.	do.	Do.
