

II. ALLOCATIONS

A. Fiscal Year 1966: \$345,817.

B. *Percentages.* At least 50% for school library resources, exclusive of audio-visual materials; up to 35% for audio-visual materials. Not more than 15% for textbooks and other instructional materials. To provide for relative need, 90% of the allocation will be allotted on the basis of data obtained from a 1965 survey, the relative need index to be the ratio of materials available to the quantity needed. Of the remaining funds, 5% used for administrative costs and 5% for special grants to selected schools to acquire instructional materials for use in school library programs.

C. *Processing.* Not more than \$1 per book will be allowed.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAM

A. *Standards.* Library book standards were revised in December, 1965.

B. *Book Selection.* Standard tools will be used, including "Selecting Materials for School Libraries," (AASL) and "Recommended Book Selection Lists" issued by the Department of Library Science.

C. *Distribution.* The general method of loan to private schools will be a direct loan between the Board of Education and the private schools. There will be no public sub-agencies designated in the District of Columbia. The Board of Education will purchase materials for private schools.

RÉSUMÉ, FLORIDA PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The staff for administration of the Florida State Plan in the Office of the Superintendent of Public Instruction, will consist of the Director of the Division of Instructional Services, assisted by professional personnel from the Divisions of Administration, Finance, Teacher Education, and Instructional Services. An advisory committee will assist in the implementation of the Plan.

II. ALLOCATIONS

A. Fiscal Year 1966: \$2,604,055.

B. *Percentages.* Eighty-five to 100 per cent shall be spent the first year for school library resources; not more than 15% for textbooks and not more than 15% for other printed and published instructional materials. A basic allotment (to include 50% of the State allocation minus the 5% administrative cost) will be made to the county administrative unit on a per capita basis for each public and private student. The remainder will be distributed according to the Title I formula in order to provide for relative need.

C. *Processing.* Expenditures for processing, cataloging and delivery may not exceed 10% of the total expenditure for such items.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAM

A. *Standards.* Accreditation Standards for Florida Schools will provide the basis for a continuing program of evaluation; the State agency will appoint a committee of supervisory, curriculum, library and teaching personnel to assist in revising standards.

B. *Book Selection.* Lists provided by such recognized authorities as ALA, national councils and organizations associated with NEA, American Association for the Advancement of Science, the USOE and the like.
