

RÉSUMÉ, MICHIGAN STATE PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The Plan will be administered by the Department of Education, under the Superintendent of Public Instruction. The program will be administered through the Michigan State Library, a unit of the State Department of Education. The two school library consultants presently employed in the Department of Education, aided by additional consultants, and a professional school library cataloguer, will have immediate responsibility for the administration of this program.

II. ALLOCATION

A. Fiscal Year 1966: \$4,671,827.

B. *Percentages.* It is estimated that about 95% of the funds under this Title will be spent for school library resources. Approximately 5% of the funds will be spent for basic texts.

Method of allocation: Up to 10% for up to ten special grants for regional instructional materials centers, 40% in basic grants on a per capita basis, the remainder allocated according to a need formula based on information from a state survey and assessed in relation to standards.

C. *Processing.* Allowable costs up to \$1.25 per item including delivery.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAM

A. *Standards.* The Department of Education will take steps to see that appropriate standards are developed, using as a basis *Standards for School Library Programs*, AASL. Textbook companies will be registered with the Department of Education and the textbook editions purchased under this program will be those adopted by some public school in Michigan. These standards will be disseminated to all schools as a part of the Administrative Handbook.

B. *Book Section.* Reliable professional selection tools, lists and reviewing media shall be used as guides; among these are such general book lists as those from the American Library Association, American Association for the Advancement of Science, National Education Association, National Council of Teachers of English and many more.

C. *Distribution.* Projects from public school districts will be submitted to the Department of Education. On behalf of the children and teachers of private schools, applications will be sent by private school officials directly to the Department of Education. Materials will be lent to children and teachers in schools and some resources, such as audio-visual materials, may be regularly housed on a cooperative basis with other educational agencies.

RÉSUMÉ, MINNESOTA PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The Minnesota State Plan will be administered by the State board of education. A State Title II advisory committee has been officially appointed by the State board. Within the State Department of Education, the State plan will be administered by the Assistant Commissioner for Instruction, and the staff will consist of a Title II Administrator, one or more school librarians, and one or more audio-visual coordinators.

II. ALLOCATIONS

A. Fiscal Year 1966: \$1,988,186.

B. *Percentages.* One hundred per cent will be spent for school library resources. The adjusted assessed valuation behind each child in public and private schools will be used to determine relative ability of a school district to provide
