RÉSUMÉ, TENNESSEE PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The staff in the Office of the State Commissioner for Education will consist of a State Director assisted by three supervisors. An advisory committee will provide counsel on administration.

II. ALLOCATION

A. Fiscal Year 1966: \$1,826,346.

B. *Percentages.* For the first year, the total allotment will be spent for school library resources.

Method of allocation: Will be made on the basis of the relative financial ability of the schools in the area to support education and on the total enrollment of all schools in the area served. The local educational agency will distribute materials to the children and teachers in the schools to be served on the basis of need, using number of library books in each school as an index.

C. *Processing.* Cataloging, processing and delivery services will be established at a rate normal for these services in the State.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966) ; liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAM

A. *Standards.* State Board of Education will see that appropriate standards are developed through the use of state staff personnel, representatives of local education agency personnel and competent professional personnel from colleges, universities and other sources. The first year, existing State standards supplemented by national AASL standards will be used.

B. *Book selection.* To be based on the use of reliable printed lists and reviews.

C. *Distribution.* The LEA will be the sole public agency to purchase and retain title to materials for use by children and teachers in all schools. The LEA will develop a specific plan to make materials available on a loan basis to all schools.
