

II. ALLOCATIONS

A. Fiscal Year 1966: \$5,345,745.

B. *Percentages.* Up to 70% for school library resources, up to 15% for textbooks, and up to 15% for other instructional materials. Relative need criteria provides for distribution of funds (for the first year only) according to (a) per capita sum up to 50% of allotment, (b) the State Minimum Foundation Program formula for the remaining amount to be allocated to LEAs, and (c) allocation at local level for each category of materials according to needs determined by a committee representative of administrators of all eligible schools.

C. *Processing.* Costs of processing, cataloging and delivery shall be considered part of the acquisition costs. They may be reimbursed at a rate not to exceed the rates normally charged by a commercial source.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAM

A. *Standards.* A committee of specialists has reviewed all existing requirements and standards relating to school library resources, texts and other printing and published instructional materials. Following their recommendations, the staff of the Texas Education Agency has established a set of basic requirements and standards, to be revised and updated annually.

B. *Book Selection.* Standard selection tools such as those developed by professional organizations should be used.

C. *Distribution.* LEAs will make material available to all public and private schools on an equitable basis. Title shall rest in a legally constituted LEA classified in Texas as either common, rural, or independent. Only the LEAs have the authority to purchase.

RÉSUMÉ, UTAH PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The staff for administration of the Utah State Plan in the Office of the Superintendent of Public Instruction will consist of the Administrator of the Division of Instructional Media, assisted by a Library Specialist. An advisory committee will advise and counsel the Library Specialist on matters pertaining to the improvement of school library service.

II. ALLOCATIONS

A. Fiscal Year 1966: \$587,662.

B. *Percentages.* Up to 95% of the first year's allocation may be spent for school library resources including other instructional materials; up to 10% of the first year's allocation may be used for textbooks. Funds to be allocated using an equalization formula for 45% of the funds; 45% to be divided on a per capita basis using average daily attendance; 5% to provide materials on a State or regional basis or on basis of special need.

C. *Processing.* Cataloging and processing of books, magazines, and film strips is allowable up to 50¢ per item.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAMS

A. *Standards.* The staff of the State agency, assisted by the Advisory Committee on Library Services, shall determine standards and recommend goals to attain them.

B. *Book Selection.* Standard methods and book selection tools will be used. All textbooks purchased must be on the State approved list.
