

applications materials for private school personnel within their districts. Materials acquired in this way would be the property of the LEA. In some school districts cooperative arrangements may be made among public schools, private schools, and "other public agencies" (such as a public library) whereby the "other public agency" will administer the materials.

RÉSUMÉ, WYOMING PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The staff for administration of the Wyoming State Plan in the Office of the Superintendent of Public Instruction will consist of the State School Library Specialist, assisted by an advisory committee.

II. ALLOCATIONS

A. Fiscal Year 1966: \$187,468.

B. *Percentages.* From 70% to 95% may be spent for school library resources, from 10% to 35% may be spent for other instructional materials, and from 1% to 5% may be spent for textbooks. Distribution to be made according to relative need, funds being allotted in order to bring the per pupil expenditure in each school up to approximately \$4.00 minimum. Schools without centralized libraries are eligible to receive funds only through the county school system but on the same \$4.00 minimum goal. Schools with centralized libraries exceeding the \$4.00 per pupil are also eligible to apply for allotments for special needs.

C. *Processing.* Expenses for district libraries doing cataloging only may not exceed 60¢ per title; expenses for cataloging and processing may not exceed \$1.00 per title.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAM

A. *Standards.* State standards will be developed. "Standards for School Library Programs" (AASL) will be used as evaluative criteria. The State agencies will assume leadership in establishing a State standards committee.

B. *Book Selection.* Standard selection aids will be used as a guide to selection of materials.

C. *Distribution.* Materials will be loaned to private school children and teachers according to educational need as shown in a questionnaire study and according to application from private schools for use of materials. The LEA will purchase these materials and retain title to them.

RÉSUMÉ, GUAM STATE PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The program will be administered by the Director of Education, the Superintendent of Schools, the Assistant Superintendent-Instruction, and the Library Consultant Coordinator for Title II. The Director of Education will appoint a State Advisory Committee, composed of two school principals, two school librarians, and two representatives from the private schools.

II. ALLOCATION

A. Fiscal year 1966: \$56,000.

B. *Percentages.* Of the total grant, 75% will be allocated for school library resources and 25% for other printed and published materials. Textbooks have been excluded from the plan because of the Territory's free textbook program to public and private schools.

Method of allocation: Twenty-five percent will be allocated on the basis of the number of children enrolled and the balance of the funds will be distributed
