

380 BOOKS FOR SCHOOLS AND TREATMENT OF MINORITIES

Education: the Director of Library and Instructional Services (development, planning, and implementation of library and audiovisual materials); and the Coordinator of Title II, a qualified librarian (school library program responsibilities which include inservice workshops, coordination with other Federal programs, working with the Advisory Committee).

II. ALLOCATION

A. Fiscal Year 1966: \$33,400.

B. *Percentages*: Not less than 75% of the acquisition funds will be used for school library resources. Up to 25% may be used for textbooks and other instructional materials.

Method of allocation: Fifty percent of the acquisition funds will be allocated on a per capita basis, and the remainder according to priorities as established by the Advisory Committee, using State plan criteria for relative need: quantity and quality of resources available, rate that materials are being provided by other means, and value judgments of qualified school library personnel.

C. *Processing*: Costs for preprocessing, cataloging and delivery are allowable at not more than \$1 per item or 20% of the cost, whichever is necessary. Preprocessing will be done wherever possible.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).

IV. PROGRAM

A. *Standards*: Department of Education is to take steps to assure the development of appropriate standards.

B. *Book Selection*: Reliable professional selection tools, lists and reviewing media should be used as guides.

C. *Distribution*: The Virgin Islands Department of Education will be responsible for engaging in cooperative planning with private school officials. Materials will be made available on a loan basis. Title shall be retained by the Department.

RÉSUMÉ, TRUST TERRITORY OF THE PACIFIC ISLANDS STATE PLAN, TITLE II (ELEMENTARY AND SECONDARY EDUCATION ACT) 1966

I. ADMINISTRATION

The program will be administered by the Director of Education with the assistance of the Deputy Director, the Coordinator of Federal Programs in Education, the Supervisor of Library Services, and the Coordinators of Elementary and Secondary Education. The Trust Territory is not planning to use an Advisory Committee in the first year.

II. ALLOCATION

A. Fiscal Year 1966: \$64,200.

B. *Percentages*: The Territory's allotment will be expended mainly for school library resources. Minimal amounts may be spent for textbooks, and other instructional materials.

Method of allocation: Allocation for the first year is based on "value judgments." Highest priority will be given to secondary schools. Fifty percent of the grant is allocated on the basis of enrollment and 50% on the basis of need.

C. *Processing*: The cost of processing, cataloging and delivery is not to exceed \$1 for each book. Insofar as possible, the Department of Education will rely on preprocessing.

III. DEADLINES

Funds must be encumbered by the end of the FY (June 30, 1966); liquidation (books received) must be accomplished by the end of the following FY (June 30, 1967).
