

TABLE IV.—Range of typical airport construction costs—Continued  
AIRPORTS USED BY GENERAL AVIATION ONLY

|                                     | Large (public)        |                          | Small (private)    |                         |
|-------------------------------------|-----------------------|--------------------------|--------------------|-------------------------|
|                                     | Total                 | Per unit                 | Total              | Per unit                |
| Landing area:                       |                       |                          |                    |                         |
| Runway (lighted).....               | \$500,000-\$1,000,000 | <sup>1</sup> \$100-\$300 | \$90,000-\$500,000 | <sup>1</sup> \$30-\$150 |
| Taxiway (lighted).....              | 300,000- 700,000      | <sup>1</sup> 50          | 10,000             | <sup>1</sup> 25         |
| Aprons.....                         | 50,000- 150,000       | <sup>2</sup> 6           | 5,000- 10,000      | <sup>2</sup> 2-4        |
| Aircraft hangar facilities.....     | 100,000- 500,000      | <sup>3</sup> 2-5         | ( <sup>4</sup> )   | ( <sup>4</sup> )        |
| Terminal area:                      |                       |                          |                    |                         |
| Building (Administration).....      | 100,000- 500,000      | <sup>3</sup> 15-35       | ( <sup>4</sup> )   | ( <sup>4</sup> )        |
| Auto parking and ground access..... | 10,000- 50,000        | <sup>2</sup> 2-4         | 1,000- 5,000       | <sup>2</sup> 1-4        |
| Servicing facilities (airport)..... | 20,000- 50,000        | <sup>3</sup> 5-10        | ( <sup>4</sup> )   | ( <sup>4</sup> )        |
| Terminal ATC facilities.....        | 340,000               | -----                    | ( <sup>4</sup> )   | ( <sup>4</sup> )        |
| Navigational visual aids.....       | 85,000                | -----                    | 7,000              | -----                   |

<sup>1</sup> Per linear foot.<sup>2</sup> Per square yard.<sup>3</sup> Per square foot.<sup>4</sup> Not available.

TABLE V.—Range of typical annual airport maintenance and operation costs  
AIRPORTS USED BY AIRLINES

| Airport facilities                                             | Large            |                        | Small            |                      |
|----------------------------------------------------------------|------------------|------------------------|------------------|----------------------|
|                                                                | Total            | Per unit               | Total            | Per unit             |
| Landing area:                                                  |                  |                        |                  |                      |
| Runway (lighted):                                              |                  |                        |                  |                      |
| Maintenance.....                                               | \$5,000-\$10,000 | <sup>1</sup> \$1.00    | \$2,000- \$5,000 | <sup>1</sup> \$0.50  |
| Operation.....                                                 | 2,000- 5,000     | <sup>1</sup> .50       | 1,000- 3,000     | <sup>1</sup> .30     |
| Taxiway (lighted):                                             |                  |                        |                  |                      |
| Maintenance.....                                               | 3,000- 7,000     | <sup>1</sup> .50       | 1,000- 3,000     | <sup>1</sup> .25     |
| Operation.....                                                 | 3,000- 7,000     | .50                    | 1,000- 3,000     | <sup>1</sup> .30     |
| Aprons:                                                        |                  |                        |                  |                      |
| Maintenance.....                                               | 2,000- 5,000     | <sup>2</sup> .10       | 500- 1,000       | <sup>2</sup> .05     |
| Operation.....                                                 | 5,000- 10,000    | <sup>2</sup> .10-.50   | 1,000- 3,000     | <sup>2</sup> .10-.25 |
| Aircraft hangar facilities:                                    |                  |                        |                  |                      |
| Maintenance and operation.....                                 | 10,000- 15,000   | <sup>3</sup> 1.00-2.00 | 5,000- 10,000    | -----                |
| Terminal area:                                                 |                  |                        |                  |                      |
| Building (administration):                                     |                  |                        |                  |                      |
| Maintenance and operation.....                                 | 25,000- 50,000   | <sup>3</sup> 1.00-2.00 | 10,000- 15,000   | -----                |
| Auto parking and ground access, maintenance and operation..... | 5,000- 10,000    | <sup>2</sup> 5.00-0.25 | 2,000- 5,000     | <sup>2</sup> .05-.15 |
| Servicing facilities (airport) maintenance and operation.....  | 10,000- 25,000   | <sup>3</sup> 1.00-2.00 | 5,000- 10,000    | -----                |
| Terminal ATC facilities:                                       |                  |                        |                  |                      |
| Maintenance.....                                               | 100,000          | -----                  | 75,000           | -----                |
| Operation.....                                                 | 200,000          | -----                  | 125,000          | -----                |
| Navigational visual aids, maintenance and operation.....       | 100,000          | -----                  | 50,000           | -----                |
