¹ Reflects only part of 1965 total estimated by California State Recreation Office of 333,087 acres in "lands designated for recreation purposes under local, county, or special district control."

² Reflects only part of 229,133 acres reported in Georgia State plan in county and municipal parks.

³ Reflects only part of 64,599 acres in local ownership and 164,866 in parish (county) control reported in Louisiana State plan.

⁴ Does not reflect 68,742 in school forests and 107,263 in community forests.

Source: See text, sec. A2(e).

¹ Total may not all be under local control. Ohio State plan lists acreage by class. Total includes classes I and II, which covers intensively used recreation lands or general use recreation lands within 20 miles of population center of 50,000 or more.

² Total acreage excludes 55,000 in water which is locally owned.

³ Total does not reflect 2,200,000 acres in county forests in the northern part of the State.
