

The SPEAKER. The question is on agreeing to the conference report.

The question was taken; and the Speaker announced that the "ayes" appeared to have it.

Mr. CUNNINGHAM. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER. Evidently a quorum is not present.

The Doorkeeper will close the doors, the Sergeant at Arms will notify absent Members, and the Clerk will call the roll.

The question was taken; and there were—yeas 171, nays 46, not voting 221, as follows:
