

research and development payments to nonprofit organizations are classified as "transfer payments" in most of those replies that subdivide the Federal expenditures.

Where grants-in-aid to State and local governments are reported in the replies to question No. 10 in terms of a concept that differs from the national income definitions, an editorial note has been added.

The tabular arrangement of the published replies is simpler than in the questionnaire. Where possible, Federal expenditures are subdivided by economic categories. For non-Federal expenditures, to the extent that these are reported, only totals are shown. Double counting has been eliminated.
