

4. *Level of operations.* (See table 1.)

Program: Redevelopment Areas, MDTA Title II, Sec. 241.

Department or agency, and office or bureau: Department of Labor; Office of Manpower Policy, Evaluation, and Research.

TABLE 1.—*Level of operations or performance, fiscal years 1964–66*

| Measure and unit                                                                                 | Fiscal year<br>1964 | Fiscal year<br>1965 | Fiscal year<br>1966,<br>estimate |
|--------------------------------------------------------------------------------------------------|---------------------|---------------------|----------------------------------|
| (a) Magnitude of the program (approved projects)-----                                            | 305                 | 309                 | 360                              |
| (b) Applicants or participants:                                                                  |                     |                     |                                  |
| State government agencies-----                                                                   | 1 39                | 1 37                | 1 41                             |
| Local communities (designated areas)-----                                                        | 180                 | 179                 | 180                              |
| Individuals (trainees in approved projects)-----                                                 | 11,928              | 11,030              | 15,000                           |
| (c) Federal finances:                                                                            |                     |                     |                                  |
| Unobligated appropriations available-----                                                        | \$8,500,000         | \$8,500,000         | (2) (3)                          |
| Obligations incurred-----                                                                        | \$8,262,000         | \$8,158,000         | (2) (3)                          |
| Allotments made-----                                                                             | \$8,500,000         | \$8,500,000         | (2) (3)                          |
| (d) Matching expenditures-----                                                                   | (4)                 | (4)                 | (4)                              |
| (e) Federal Government employees administering, operating,<br>or supervising the activities----- | 53                  | (3)<br>(4)          | (3)<br>(4)                       |
| (f) Non-Federal personnel employed-----                                                          | (4)                 | (4)                 | (4)                              |
| (g) Other measures or level of performance:                                                      |                     |                     |                                  |
| Enrollees-----                                                                                   | 10,196              | 10,032              | 12,000                           |
| Completions-----                                                                                 | 7,812               | 7,692               | 9,100                            |
| Placements-----                                                                                  | 5,468               | 5,384               | 7,000                            |

<sup>1</sup> Includes Puerto Rico.

<sup>2</sup> Expiration of ARA.

<sup>3</sup> Included in MDTA budget.

<sup>4</sup> Not applicable.

5. *Estimated magnitude of program in 1970*

Same as answer for Question 5 under "Title II, Excluding Section 241."

6. *Prospective changes in program orientation*

a. None

b. None

c. Same as answer for Question 6(c) under "Title II, Excluding Section 241."

7. *Coordination and cooperation*

Same as answer for Question 7 under "Title II, Excluding Section 241." In addition with reference to 7(c), an interagency review committee composed of representatives of the Departments of HEW, Labor, and Commerce, reviews proposals for training and makes recommendations to the Secretary of Labor for his final approval.

8. *Laws and regulations*

Area Redevelopment Act, P.L. 87-27, May 1, 1961, Sections 16 and 17. The Manpower Act of 1965, P.L. 89-15, April 26, 1965, Section 241. Public Works and Economic Development Act of 1965, P.L. 89-136 August 26, 1965.

PART II. DATA BEARING ON ECONOMIC ASPECTS AND IMPACTS OF THE PROGRAM

9. *Economic effects*

a. *Effects on Personal Incomes.*—The vast majority of the persons trained under the ARA program were unemployed, many of them having been idle for more than a year at the time of referral to training. As a result of their training their economic well-being has ma-
