URBAN STUDIES AND HOUSING RESEARCH

PART I. DESCRIPTION OF THE PROGRAM

1. Objectives

The program is intended to enable the Secretary of the Department of Housing and Urban Development to undertake such programs of investigation, analysis, and research as are necessary and appropriate in carrying out the national housing and urban development programs for which he has responsibility.

2. Operation

The Secretary can make contracts with agencies of State and local government, educational institutions, and other nonprofit organizations; enter into working agreements with other departments and in-
