1 For volume by sections, see Housing and Home Finance Agency, 18th Annual Report, table III–12.
2 For volume by sections see *ibid.*, table III–13.
3 Based on cases tabulated through 1964, including sec. 225 open end advances, sec. 609 manufactured housing loans, and adjustments not distributed by States.

(*g*) *The measurable contribution of the program to either the magnitude or the rate of growth of the gross national product, if such a contribution can be identified.*—By making certain assumptions, it might be possible to arrive at some estimates of the contribution that FHA activity makes to the gross national product. No formal and detailed study of this nature has yet been undertaken. The estimates which
