

PROGRAM AND MANAGEMENT INFORMATION REQUESTED BY THE MANNED
SPACE FLIGHT SUBCOMMITTEE, COMMITTEE ON SCIENCE AND ASTRO-
NAUTICS, U.S. HOUSE OF REPRESENTATIVES, 90TH CONGRESS, FEBRU-
ARY 9, 1967

(By the National Aeronautics and Space Administration)

CONTENTS

I. Programs and projects:

(a) Fiscal:

(1) 1968 budget allocations by major programs with consistent comparable budgets for fiscal years 1965, 1966, and 1967, including current total cost to completion estimates for each major program.....	Page 1035
(2) Analysis of fiscal year 1967-68 budget realignments by programs.....	1035
(3) Actual versus planned expenditure by programs for fiscal years 1965, 1966, and 1967 (to date).....	1036
(4) Budget requested by Center for fiscal year 1968, amount reduced, and final budget.....	1036
(5) "No-year" funds carryover by programs for fiscal years 1964, 1965, and 1966.....	1036
(6) List of R. & D. contracts in order of dollar value currently in force.....	1037-1050
(7) List of construction contracts with estimated completion date and total costs.....	1051

(b) Procurement for research and development:

(1) Number of procurement plans submitted to Center Director (less than \$5 million).....	1052
(2) Number submitted to NASA headquarters (more than \$5 million).....	1052
(3) Exceptions to (1) and (2) above.....	1052

(c) Contracts (calendar year 1966):

(1) Number of competitive participants in each R. & D. negotiated contract.....	1052
(2) Fixed price contracts converted to CPIF.....	1053
(3) Contracts scheduled to be converted to CPIF.....	1053
(4) Contracts to a review board to determine final fee....	1053
(5) Organization identification of contract approval authority (organization level and type of authority).....	1053-1054
(6) Contracts renegotiated.....	1054
(7) Percentage of contracts to small businesses.....	1054

(d) Facilities:

(1) Furnish information to show the status of facility planning, design and construction for fiscal years 1965, 1966, 1967, 1968 and future years when incrementally funded. Provide fiscal data to include unobligated balances as of January 1, 1967. (An unobligated balance exists for this purpose when available funds are not obligated to a contract or work order to another government agency.).....	1054-1055
(2) Furnish a listing of cost-plus-fixed fee contracts entered into for facility management, services and construction. Provide information as to the purpose of each.....	1056
(3) An estimate of future construction fund requirements for facility together with a general description of probable work.....	1056
