

reduced: *Provided, however,* That any amount originally included in that part of the State's allotment reserved for use for urban community action programs may be used only for such programs when reallocated, and any amount originally included in that part of the State's allotment originally reserved for rural community action programs may be used only for such programs when reallocated. Any amount reallocated to a State under this subsection during a year shall be deemed part of its allotment under subsection (a) for such year.

(e) For the purposes of this section, the term "State" does not include Puerto Rico, Guam, American Samoa, the Trust Territory of the Pacific Islands, and the Virgin Islands.

FINANCIAL ASSISTANCE FOR DEVELOPMENT OF COMMUNITY ACTION PROGRAMS

SEC. 532. The Secretary is authorized to make grants to, or to contract with, qualified community action boards to pay part or all of the costs of development of community action programs.

FINANCIAL ASSISTANCE FOR CONDUCT AND ADMINISTRATION OF COMMUNITY ACTION PROGRAMS

SEC. 533. (a) The Secretary is authorized to make grants to, or to contract with, qualified community action boards to pay part or all of the costs of community action programs which have been approved by him pursuant to this title, including the cost of carrying out programs which are components of a community action program and which are designed to achieve the purposes of this title, except that where the Secretary approves a program under section 512(c) he may make grants to, or contract with, public or private nonprofit agencies to pay part or all of such programs.

(b) No grant or contract authorized under this title may provide for general aid to elementary or secondary education in any school or school system, or provide for any preschool or early-school program, whether or not designed to prepare educationally deprived children.

(c) In determining whether to extend assistance under this section the Secretary shall consider among other relevant factors the incidence of poverty within the community and within the areas or groups to be affected by the specific program or programs, and the extent to which the applicant is in a position to utilize efficiently and expeditiously the assistance for which application is made. In determining the incidence of poverty the Secretary shall consider information available with respect to such factors as: the concentration of low-income families, particularly those with children; the extent of persistent unemployment and underemployment; the number and proportion of persons receiving cash or other assistance on a needs basis from public agencies or private organizations; the number of migrant or transient low-income families; school dropout rates, military service rejection rates, and other evidences of low educational attainment; the incidence of disease, disability, and infant mortality; housing conditions; adequacy of community facilities and services; and the incidence of crime and juvenile delinquency.

(d) In extending assistance under this section the Secretary is authorized to make grants for the payment of a reasonable allowance per meeting for attendance at community action agency board meetings or neighborhood community action council or committee meetings and for the reimbursement of other necessary expenses of attendance at such meetings to members of such boards, councils, or committees who are residents of the areas and members of the groups served in order to insure and encourage their maximum feasible participation in the development, conduct, and administration of community action programs: *Provided, however,* That no such payments shall be made for attendance at more than two meetings in a month, or to any person who is an employee of the United States Government, of a community action agency, or of a State or local governmental agency.

(e) (1) In making grants for programs in the field of family planning the Secretary shall assure that family planning services, including the dissemination of family planning information and medical assistance and supplies, are made available to all individuals who meet the criteria for eligibility for assistance under this part which have been established by the community action agency and who desire such information, assistance, or supplies.
