

(b) The Federal share for each State shall be 50 per centum, except that with respect to expenditures on account of the State commission provided for in section 553(a)(4), the Federal share shall be 90 per centum.

OPERATION OF STATE PLANS; HEARINGS AND JUDICIAL REVIEW

SEC. 555. (a) Whenever the Secretary, after reasonable notice and opportunity for hearing to the State agency administering a State plan approved under this part, finds that—

(1) the State plan has been so changed that it no longer complies with the provisions of section 553, or

(2) in the administration of the plan there is a failure to comply substantially with such provision, the Secretary shall notify such State agency that no further payments will be made to the State under this part (or in his discretion, that further payments to the State will be limited to programs under or portions of the State plan not affected by such failure), until he is satisfied that there will no longer be any failure to comply. Until he is so satisfied, no further payments may be made to such State under this part (or payments shall be limited to programs under or portions of the State plan not affected by such failure).

(b) A State agency dissatisfied with a final action of the Secretary under section 553 or subsection (a) of this section may appeal to the United States court of appeals for the circuit in which the State is located, by filing a petition with such court within sixty days after such final action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary, or any officer designated by him for that purpose. The Secretary thereupon shall file in the court the record of the proceedings on which he based his action, as provided in section 2112 of title 28, United States Code. Upon the filing of such petition, the court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part, temporarily or permanently, but until the filing of the record, the Secretary may modify or set aside his order. The findings of the Secretary as to the facts, if supported by substantial evidence, shall be conclusive, but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall file in the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence. The judgment of the court affirming or setting aside, in whole or in part, any action of the Secretary shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code. The commencement of proceedings under this subsection shall not, unless so specifically order by the court, operate as a stay of the Secretary's action.

PART G—AUTHORIZATION OF APPROPRIATION

SEC. 561. The Secretary shall carry out the programs provided for in this title during the fiscal year ending June 30, 1968, and the two succeeding fiscal years. For the purpose of carrying out this title (other than part F) there is hereby authorized to be appropriated the sum of \$450,000,000 for the fiscal year ending June 30, 1968. For the purpose of carrying out part F of this title there is hereby authorized to be appropriated the sum of \$100,000,000 for such fiscal year. For the fiscal year ending June 30, 1969, and for the fiscal year ending June 30, 1970, such sums may be appropriated as the Congress may hereafter authorize by law.

TITLE VI—VOLUNTEERS IN SERVICE TO AMERICA

STATEMENT OF PURPOSE

SEC. 601. It is the purpose of this title to enable and encourage volunteers to participate in a personal way in the war on poverty by living and working among deprived people of all ages in urban areas, rural communities, on Indian reservations, in migrant worker camps, and Residential Skill Centers; to stimulate, develop, and coordinate programs of volunteer training and service; and, through such programs, to encourage individuals from all walks of life to make a commitment to combating poverty in their home communities, both as volunteers and as members of the helping professions.
