

22.

If the 7 percent of all contacts who are in the military are included the overall figures are as follows:

	Wave II	Wave I & II
	%	Combined
	%	%
Working	54	54
In school	8	8
In military	7	7
Unemployed	32	33
Other	2	2

Type Of Job

In the second wave fewer graduates than dropouts or discharges are in service occupations and more are in machine trades and structural work:
