Mr. W. P. Kelly, Director
Job Corps
Office of Economic Opportunity
Executive Office of the President
Washington, D. C. 20506

Dear Mr. Kelly:

I have before me your recent letter to Mr. Fred A. Otto, President of the Charleston Area Chamber of Commerce, requesting how Mr. Otto feels about the Job Corps Center located in Charleston.

Mr. Otto is on an extended vacation in Florida and I will pass this letter along to him when he returns.

In the meantime, I can state for Mr. Otto, as well as for myself, that we can commend those in charge of the local Center for their efforts to be a good neighbor in the community.

I have toured the Center and was impressed with the caliber of instruction which I saw in progress.

You will be interested to know that there have been no complaints in recent months registered in the Chamber of Commerce office in connection with the Job Corps Center operation.

Very truly yours,

Frank G. Sohn
Executive Vice President
