OUR REF. NO. 1.7

March 23, 1967

Mr. W. P. Kelly
Acting Director
Job Corps
Office of Economic Opportunity
Executive Office of the President
Washington, D. C. 20506

We are not in a position to objectively appraise the value to the community of any participation in community affairs by students of the local Job Corps Center.

Because certain police problems are inherent in such concentrations of youth, our contacts with the students have, unfortunately, been mostly negative.

If we can be of service to you in the future, we will be grateful for the opportunity.

Thomas Reddin
