

O.E.O. CONTRACT # 1305 CODE # 0700

TITLE: Expose Public School Teachers to Job Corps Conservation Centers
Education Program

GROUP CONDUCTING STUDY: National Education Association, 1201 - 16th St.,
N.W., Washington, D. C. 20036

TIME SPAN: May 23, 1966 - October 22, 1967

CURRENT STATUS: In Process

Purpose: Job Corps is contracting with NEA, to provide an educational staff of five (5) for four (4) Conservation Centers - Blackwell, Luna, Liberty Park, and Marsing. Each team of six (6) people will serve for one year's time in a center.

Staff will be provided by community school systems of Detroit; Washington, D. C.; Simi-Vally, California; and Seattle.

After a year in the Conservation Centers, the teams of educators will return to their respective communities to work together for another year in the creation of new curriculum materials and schedules for the disadvantaged school population of their own community systems.
