

COMPETITIVE PROBLEMS IN THE DRUG INDUSTRY 13441

they certainly could. I should prefer to see drugs made available on the basis of reasonable evidence of safety and efficacy, and to require that appropriate studies should be carried out until the matter of risk vs. benefit is settled beyond reasonable doubt.

Sincerely yours,

A handwritten signature in cursive script that reads "Paul Meier".

Paul Meier

P.S. I enclose a recent curriculum vitae, in accordance with your request.
