Aggregate Production Quota for 1974

Section 366 of the Controlled Substances Act (21 U.S.C. 826) requires that the Attorney General establish aggregate production quotas for all controlled substances listed in Schedule I and II by July 1 of each year. This responsibility has been delegated to the Administrator of the Drug Enforcement Administration by § 0.100 of Title 28 of the Code of Federal Regulations. The quotas are to provide adequate supplies of each such substance for (1) the estimated medical, scientific, research, and industrial needs of the United States, (2) lawful export requirements, and (3) the establishment and maintenance of reserve stocks.

On July 3, 1973, the Drug Enforcement Administration published in the Federal Register a notice of proposed 1974 Aggregate Production Quota for Amphetamine (38 FR 17741).

In order to meet the statutory requirement that 1974 production quota be established on or before July 1, 1974, the Administration utilized the same data used for setting the 1973 quota on May 8, 1973 (38 FR 11472).

On April 19, 1974, the Drug Enforcement Administration published in the Federal

Register a Notice of Proposed 1974 Amphetamine Aggregate Production Quota revising the July 3, 1973 proposed aggregate production quota.

All interested parties were invited to comment on or object to the proposed aggregate production quota on or before April 19, 1974. No comments or objections have been received by the Administration.

Therefore, the Administrator of the Drug Enforcement Administration under the authority vested in the Attorney General by section 866 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 826) and delegated to the Administrator, Drug Enforcement Administration by Section 0.100 of Title 28 of the Code of Federal Regulations, orders that the 1974 aggregate production quota for amphetamine expressed in grams in terms of its anhydrous base, be established as follows:

Basic class, Amphetamine.

Granted, 3,657,153.

All persons who submitted an application for either an individual manufacturing quota or procurement quota for 1974 will be notified by mail as to their respective 1974 quota established by the Administration.

This order is effective on June 17, 1974.

Dated: June 11, 1974.

JOHN R. BARTELS, JR.,

Administrator,

Drug Enforcement Administration.
