

PUBLICATIONS CONT'D.

Finkle, B.S., Contributor. Die Toxikologisch-Chemische Analyse (R.K. Mueller, Ed. in Chief) Verlag Theodor Steinkopff. 1976.

Finkle, B.S., Jennison, T.A., and Chinn, D.M.: The Analytical Toxicology and Human Metabolism of 1- α -Acetyl Methadol (LAAM). American Academy of Forensic Sciences, San Diego, CA, 1977. In Press, J. For. Sci.

Finkle, B.S., Kopjak, L., McCloskey, K.L.: Forensic Toxicology Applications of High Pressure Liquid Chromatography. American Academy of Forensic Sciences San Diego, CA, 1977. In Press, J. For. Sci.

Finkle, B.S., and McCloskey, K. L.: Proficiency Testing in Toxicology. Letter to the Editor. J. For. Sci. 22#4, 1977.

Finkle, B.S., and McCloskey, K.L.: The Forensic Toxicology of Cocaine. Chapter 8, NIDA Research Monograph #13:153. Cocaine 1977.

Finkle, B.S., and McCloskey, K.L.: The Forensic Toxicology of Cocaine. J. For. Sci. 23#1, 1978.

Pierce, W.O., Lamoreau, T.C., Urry, F.M., Kopjak, L., and Finkle, B.S.: A New, Rapid Gas Chromatography Method for the Detection of Basic Drugs in Postmortem Blood, Using a Nitrogen Phosphorus Detector. Part 1, Qualitative Analysis. J. Anal. Tox. 2#1:26, 1978.

Finkle, B.S. Book Review: A Bibliography of Drug Abuse, Including Alcohol and Tobacco. The Am. J. Pharm. Educ. March 1978.

Jennison, T.A., Finkle, B.S., Chinn, D.M., and Crouch, D.J.: The Quantitative Analysis of 1- α -Acetylmethadol and its Principal Metabolites in Biological Specimens by Gas-Chromatography-Chemical Ionization-Multiple Ion Monitoring Mass Spectrometry. J. Chrom. Sci. 17: (Feb. 1979)

Finkle, B.S., Jennison, T.A., Chinn, D.M., Ling, W., and Holmes, E.D.: The Plasma and Urine Disposition of 1- α -Acetylmethadol and its Principal Metabolites in Man. Submitted to Clin. Pharmacol. Ther. 1978. (1979)

Shaw, R.F., Finkle, B.S.: The History and Development of the California Association of Toxicologists. Clinical Toxicology. In Press. Published Spring, 1979.

Chinn, D.M., Finkle, B.S., Crouch, D.J., and Jennison, T.A.: The Postmortem Biodisposition of 1- α -Acetylmethadol and its Principal Metabolites in Some Cases of Sudden Death. J. Anal. Tox. In Press 1979.

Peat, M.A., Finkle, B.S., and Deyman, M.E.: High Pressure Liquid Chromatographic Determination of Chlordiazepoxide and its Major Metabolites in Biological Fluids. J. Pharm. Sci. Submitted.

Finkle, B.S., McCloskey, K.L., and Goodman, L.S.: Diazepam and Drug Associated Deaths - A United States and Canadian Survey. J. Am. Med. Assoc. Submitted.
