

Vibramycin DOXYCYCLINE

Minimed has won recognition in the
market for its Vibramycin

doxycycline capsules. Minimed's
doxycycline capsules are the only
doxycycline capsules that are coated.

It's an innovation

that's made Minimed's doxycycline
capsules the only doxycycline capsules
that are coated.

It's a feature that's been

recognized by the FDA. Minimed's
doxycycline capsules are the only
doxycycline capsules that are coated.
