

3744 COMPETITIVE PROBLEMS IN THE DRUG INDUSTRY

ness of community and hospital pharmacy operations. (P. 54)

8. The Bureau of Health Manpower should support--

- (a) The development of a pharmacist aide curriculum in junior colleges and other educational institutions. (P. 58)
- (b) The development of appropriate curricula in medical and pharmacy schools for training pharmacists to serve as drug information specialists on the health team. (P. 58)
- (c) A broad study of present and future requirements in pharmacy, adequacy of current pharmacy education, and the educational changes which must be made. (P. 58)

9. The Health Services and Mental Health Administration should support studies of State laws, regulations, and codes, with priority given to the establishment of model State licensing laws, uniform reciprocity standards, and provisions for the utilization of pharmacy aides. (P. 59)
