Herbert L. Ley, M. D.  
Commissioner of Food & Drugs  
Dept. of Health, Education & Welfare  
Washington, D. C.

Dear Dr. Ley:

I have used Mysteclin F for a number of years in my practice. I find it very useful when instituting broad spectrum antibiotic therapy where monilia overgrowths are a factor, as in O. B. 's, diabetics, etc.

I sincerely believe it should remain in our armamentarium of antibiotic formulations.

Sincerely yours,
