

HUGH F. McKEOWN, JR., M.D.
222 N. MARKET STREET
DALLAS, TEX.

January 22nd., 1969

Herbert L. Loy, Jr., M.D.
Commissioner of Food & Drugs
Dept. of Health, Education & Welfare
Washington, D. C. 20201

Dear Sir:

Mytocolin-F has been among the antibiotics prescribed in my practice for several years. I have found it effective and particularly useful in my adult patients. To withdraw Mytocolin-F from the market would cause inconvenience to me and an injustice to my patients.

Signed: Hugh F. McKeown, Jr.
