## Prescription Sales

BERTH THE STATE OF THE SE Since Drug Toping estimates that a little over 21 per cent of all drug store sales are prescriptions, it would appear that prescription sales in the Fond du Lac area amount to something like \$475,000 a year.

This amounts to approximately \$24 a household and \$7 a ... person. retini pratici

If the average prescription price in Fond du Lac is the same as the national average of \$2.33, as reported in Drug Trade Ners, then approximately 200,000 prescriptions are newly written - refills accounting for a large share of the total sales, and the total sales, and the transfer was the green and single of the total sales, and the total sales,
