

THE PILL

IS IT A MENACE, A NO-NO,
A GIRL'S BEST FRIEND? OR

Recent Senate hearings raised many frightening questions about the safety of The Pill. But no testimony was heard from women, no women sat on the committee, not many women heard about the hearings.

HEAR TESTIMONY FROM WOMEN WHO KNOW: YOU, AND YOUR SISTERS! Bring questions on The Pill, on other methods of birth control, on abortion, on the ecology of population control, on information suppression by drug companies, to:
