APPENDIX I

Psychopharmacologia (Berl.) 12, 18—23 (1967)

Effects of Chlordiazepoxide and Secobarbital on Film-Induced Anxiety*

RICHARD C. PILLARD and SEYMOUR FISHER

Psychopharmacology Laboratory, Division of Psychiatry
Boston University Medical Center, Boston, Massachusetts

Received March 24, 1967

* This project was supported by NIMH grants MH-7753, MH-08954, a GRS grant to University Hospital, and by Roche Laboratories through Dr. STANLEY GOULD who also kindly supplied the chlordiazepoxide (Librium). The authors are pleased to acknowledge the assistance of KIM ATKINSON, SUSAN SAAZ, BETSY JANES, ANDREW STRASFOGEL, GEORGE FISHMAN, and MARY SHELDON. Medical screening was done by ROBERT ROOD, M.D. Films were borrowed from Audio-Visual Support Center, Mr. R. A. CUDWORTH, Director, First Army Base, Boston, and from the Boston Public Library.
